I am deeply saddened by the passing of this great man. I deeply regret that I did not have the chance to spend more time with him. But the times I did, I will always remember and treasure for the rest of my life. Some researchers say that the most beautiful sound in the whole world is the sound of your own name. This man could say mine better than anyone. Even my own father. For I was named after He and Pappy. May God Bless you Uncle Hugh.Hugh John Hagemeyer##imported-begin##H.
