Janis, my regret is that I did not get to know your Mother BEFORE she got so sick. Such a warm feeling when I went to see her at Whispering Pines--you had her Room so lovely. I would look at the pictures of your Dad and family and think about what a precious Family you had. In the back of my mind, it seems your Dad was "Mr. White Oak Schools"! I am so proud of you and continue to lift you and yours up daily in prayer. I love you, Millie--my Sid and his Tommie Nell think the world and all of YOU! Thank you for your influence on his life.
