I have many memories of working with "Boler" - she always did her share - plus! My sympathy to all the members of the family - especially to June.

In loving memory of Ma, whose gentle smile and sense of humor have kept her close to our hearts despite distance. Her strong and loving presence has always brought the family close together. We will always cherish the times we spent with her, picking berries at the farm, visiting in Texas or California, learning to crochet, or teasing Dougie. We already miss her dearly, through she will always be in our hearts. We send our love to all who have lost a wonderful woman. Love forever, Hannah and Erica

My mom was a hardworking woman and a good mom. She loved to travel, to visit her kinfolk. She also loved to crochet. She made many beautiful afghans, which we will love and cherish forever. I'll miss my mom, but I know she is home now, with her family and someday we will all be together again.
