For the family of my Aunt Bernice and my Godmother may all my prayers and love be with you at this time. Even though I cannot be there to say good bye to you I will always keep the memories and love that we have had together in my heart forever, that is something no one will ever be able to take from me. Knowing that you are in a much better place now and have no pain and sorrow will help to heal the empty spot that I will have in my life forever with you not here to give me the guiding words and wisdom that you have always had. Be happy in your new home and show your love and caring to others. I love you and miss you but will keep you in my heart and mind forever.
