Ed, Kathy, Kim & Jana ...I just wanted to write and tell you how very sorry I am to hear about Rusty. As you all know, Rusty was a very good friend of mine, and we will all miss him so much ... My thoughts and prayers are with you at this time. How many cars have I bought from Rusty? He was the only dealer in town that had both quality cars AND personality to match. I will truly miss his smile and a good Grapette drink. Steve and I will be home for the summer ... hope I get to see you. Seriously, I am thinking of you all every day ... Love ... In 1971-1972, I worked at Gorman-McCracken Volkswagen for his dad, Mr. Ed Russell, Jr. I continue to have many fond memories of those days. My father passed away May 11, 2002. My 81 year old mother wanted to trade in her over-sized Cadillac for a smaller vehicle...we visited Gorman-McCracken and found exactly what she needed--a used Jetta. My mother really liked this car. I no longer live in the Longview area and was not comfortable with my elderly mother dealing directly with a used car salesman. I requested all car dealings go through me. Rusty not the initial salesman--although he was great called several times to discuss issues involved with making an agreeable deal for this vehicle; I feel Rusty primarily called to reassure me that no one was taking advantage of my mom. This was very impressive and reaffirmed my belief that there are still compassionate, honest people left in this world. I deeply appreciated the very above-board manner with which Rusty conducted his business, especially the very compassionate manner in which he and the entire dealership treated my mom who was still grieving over the loss of my dad. I also firmly believe mom purchased a fine automobile. During one of our many conversations, Rusty and I discussed our job duties at Gorman McCracken Volkswagen when we were so young. One commonality--we both swept floors, mowed his parents and Grandmother's Ms. Gorman's yard, cleaned toilets--among other duties. In fact I may have been replace by Rusty. Another good memory was the fact we both worked FOR a fine man--Purvis. I too have been a life-long supporter of the Boy Scouts of America in my 20th year as an adult; and firmly believe in what they stand for. I would like to offer Rusty's family my condolences and wish them good luck in the future. Dale McCauley##imported-begin##Dale McCauley##imported-end##

It was great to see that he still had that light in his eyes that was uniquely Rusty. I've enjoyed so much sharing stories about him with my kids when I talk of my own high school experiences. Please know that I, along with my children, Matt & Zack Hubert, are with you in our hearts and our prayers. We are so very sorry for your loss; at the same time, we have been remembering Rusty as such a positive influence in our lives. When going to work at the dealership as a single mother of two young boys, it impressed me so much that "Family Comes First" was the crede that Rusty lived by, and encouraged all to do the same, removing all guilt about attending football games, etc. during working hours. It meant so much...remembering how he lit up when even talking to Jana on the phone, telling funny stories about trying to win her heart way back when...daily tales of the children's antics, always told with joy in being a father, so proud of their accomplishments - and not getting upset when the cars came back filled with M&M's! He always took an interest in my children, also, and they remember it still. The Russels, every one, are always near and dear to my thoughts and my heart - Love always, Kathy, Ed, and Kim - Susan##imported-begin##Susan Hart Brownlee##imported-end##
