Dear Randall and Candance, I was saddened to hear about your grandmother. I know she was an important part of your lives. Just remember that she will always live forever in your hearts. She loved both of you very much. I know that she would want for you to continue to grow and learn as you progress through your lives. I wish that I could be there to comfort the two of you and give you hugs. You both always will be very special to me. I often think of you and will continue to do so as time progresses. Please write down my telephone number and call me if either of you ever need anything or want to talk. It is 903 668-9976. Even though the two of you are no longer my students, I will always be your friend. I know that the pain seems unbearable right now. It's okay to cry and be sad. You will always have the precious memories that you shared with your grandmother. Nobody will ever take those memories away. They will always be with you. You and your family will be in my thoughts and prayers. Love, Ms. Burks###imported-begin##Christi Burks###imported-end##
