I know you haven't seen me in a while but surely you will remember me from all the time we spent on the baseball field with "Hollywood". I would like to tell you how sorry I am that Stephen lost his life. I spoke with my parents on Saturday and they told me the news. I'm sorry that I couldn't make it to the funeral since I live in Dallas. I can tell you that I enjoyed all the time I spent with your son during our baseball careers and I am sure the memories will last. I hope you are doing well and know that your son is in a better place. Take care and once again accept my sorrow.

It scares me to know that someone in my graduation class is gone. It scares me more than I knew Steven from little league baseball and school. I always thought he was a great pitcher and he always made me laugh. I remember when he slipped and busted his butt on the stage during graduation rehearsal, and I smile and wanna cry at the same time. I saw Steven a few times after graduation even, and he still made me laugh. I'll miss the guy, that's the truth.##imported-begin##Dominic Baker##imported-end##
