Floyd was a man I was proud to know. My late brother Richard "Dick" Barrett worked with him for many years and always thought highly of him. I have not seen Floyd in many years. We ate lunch together many years ago at a restaurant in Lone Star and had a very good visit. My sincere Condolences to all his family. Bersie, What can we say in a time like this except how much we loved and appreciated Floyd. He was one of the most giving and caring people we have met. He loved the Lord and was a remarkable Christian witness to everyone he met. He will be missed by everyone who knew him. But he is in heaven with the Lord, just rejoicing at the feet of Jesus. Our love to you and your family.##imported-begin##Paul and Pat Anderson##imported-end##
