Our Dearest Neighbors, We want to extend our sympathy and our love to you at this time and always! What a blessing Charlie was to us and Drew. He really enjoyed sitting in that metal chair on the back porch of his proud barn you built for him. We got a joy out of watching him ride his tractor back and forth, filling up a stack of sticks, etc. in the barrel for things to burn. I always picture him sitting there in the chair after a hard day's work, drinking the coke you had cold and ready for him. I never knew of the pain he was feeling. What a strong man of character he really was! And what a remarkable son and daughter-in-law you two were to and for him. It was so obvious of yours and Debbie's love for him, and his love for YOU as he talked highly of you'all without EVER saying anything negative. He really appreciated all you did for him. He was really a neat guy, with his cute little laugh and personality. What a big blessing our family has had to have gotten to know Charlie in his last years here on earth. He will be missed by all who ever knew him, including us, and know that our prayers are with you. If you EVER need anything, just stick your head out the door and yell in our direction and you know we will be right there for you! We thank our mighty God we have you as our wonderful neighbors! May God comfort you always, but especially at this time! Know that he is one of those in heaven watching us below as the bible mentions "in the cloud of witnesses" and he is no longer suffering. WE LOVE YOU! Jon, Tina and Drew Boy Thank you for the honour and privelege of letting me sing in Charlie's Memorial Service.###imported-begin###Jon and Tina Cooper###imported-end###

I am so sorry to hear about Frazier I've called him Frazier instead of Charlie since we were young kids. Kim, I am praying for God's comforting presence for you and your family. Frazier was much of a man and a very dear friend, always there when you needed him. He will be missed by many. May God bless and comfort you and all his family in the days to come. To the Family of Charlie Frazier: We both wanted to express our sympathy to each and every family member and to let you know that Charlie will be missed here on this earth. As a co-worker at Eastman, I Donna remember Charlie very well; such a sweet fellow and always carried a smile on his face, what a blessing he was. Know that our prayers are with Charlie and also the family during this time. One thing for sure, with Jesus Christ as YOUR personal Savior, there's no room for tears, it's the happiest place to be, IN HEAVEN! Praise the Lord!
