Robert & children, Please accept our sincere condolences on losing Betty. She was such a nice & friendly person that we remember fondly as one of the first people, along with the rest of your family, that we met on coming to Texas.##imported-begin##Betty & Bill Whipkey##imported-end##

Kristi & family,I am sorry for the passing of your mother. I was shocked to hear the news since I had only spoke with you on Saturday. May God bless you & yours & give you peace. I recently read a sympathy card from another friend on the passing of their father & it was touching. I cant remember all of the words or how it was worded but it was something like this: A traveler passing though & it was their time to go on to the next place they were bound-I know your mother is in another place than we are & one that it is far more wonderful than here. We will meet again & it will be more far wonderful than we have ever known.I will talk to you hopefully very soon when you come back for Nicole's Birthday.Love You,Vickie##imported-begin##Vickie Rivers Barber##imported-end##

To Robert, Patti, Kristi, Mark, Randy: Some of my most fond memories are the times I spent with your family. There were times when I would get tired or cold, I would go up to the house. Betty and I would have our usual, visit and watch t.v. The sunday dinners were always wonderful. I had so much fun with you and cherish those memories. I think of you often. Hang in there! Love you all, Kim p.s. I don't know if you remember the yellow throw your mom had, someone made them. I ordered one and your mom picked it up for me. I still have that throw or blanket. After 23 or 24 years it is still in great shape. I think of her everytime I use it. Thank you for sharing part of your lives with me!##imported-begin##Kim Woodall Rogers##imported-end##
