My thoughts and prayers are with your family during this difficult time. I pray the Lord's grace will sustain you and through this His name will be glorified. Kelly was a sweet friend and so full of life. She recently told me she would go to the chapel at Baylor where we both worked and pray God would work out her health issues. Although this may not have been the way anyone would have thought He would work them out, I know she is now rejoicing with the angels and her body is healed from disease. Praise God for His faithfulness. If there is anything I can do to help Shane in Dallas babysitting or anything Please feel free to let me know. I would be more than happy to help. My phone number is 972-871-8097. May this time of grief be turned to joy at the remembrance of Kelly's life and the precious family she leaves behind.##imported-begin##Ashley Nelson##imported-end##

Shane & Family, I dont know what to say. All I know is that God reunited Kelly and I together again about 4 months ago. We didnt talk that much in high school, but now that we have grown up and matured we had so much in common. And Kelly was put in my life just at the right time when I needed a special friend to talk to. I just cant believe she is gone just like that. Only God can answer all our questions as to why these type of things happen. She is going to be deeply missed by so many. Please let me know if there is anything I can do.##imported-begin##Heather Wheeler##imported-end##

Shane, Slack Family,I am so sorry for your loss. I know that words cannot heal a hurt like this. I was fortunate enough to speak to Kelly just about 2 weeks ago. I was so happy to hear from her, since I had not spoken to her in over 2 years. I'll never forget the friendship she extended to me. From grade school to our debuts as parents. I promise to pray for Casey & Kennedy. I'm so sorry, Shane. I know you don't really know me, but if I can help in any way, please call on me.Proverbs 3:5,6##imported-begin##Brian Armas##imported-end##
