Sometimes it is hard for me to say what I think outloud, but on paper and pen i can. I wont to express our sympathy. God looked around his garden and found an empty place, then he took Sydney. May in his passing be some inspritation to others.Sometime we do not understand why things happen as they do but i am sure of one thing, the Lord will give all that loved and knew him strength today. We Love you both, Earnest & Sylvia: 05-16-03##imported-begin##Sylvia and Earnest Jackson##imported-end##

Please accept my condolences for your loss of Syd. I have not known him long but he was a kind, caring man. To his daughter, I am a NICU nurse also, Syd thought the world of you. He was so proud of you and your career. I know it would fill me with joy to know my dad was as proud of me as Syd was of you. The world will miss him but he will be waiting on us to get to heaven.##imported-begin##Kellie Richardson##imported-end##
