Ruby Lee Johnson was my grandmother. I miss her dearly and feel privileged to still be able to view her obituary and memories on the Rader Funeral Home website. My grandmother was a classy lady and Rader Funeral Home was able to honor that. Not that it matters but, I do believe she was if not the only black person, but maybe one of the very few to have been taken care of by Rader Funeral Home Home. I miss you "Susie" Ruby Lee Stoker. You would be so proud of your family..until we meet again.

mrs.johnson was my supervisor for a 6 month period when i worked in housekeeping at good shepard. the short time i worked with her , she was my inspiration to keep on working and to hold my head up . she always told me i would better myself and move up one day , and i did! if it wasn't for her understanding, wisdom, and encouragement , i wouldn't be where i'm at today. i would like the family to know they are in my prayers.##imported-begin##vakesa townson##imported-end##
