Geneva, Vivian and Family It is so hard to find just the right words to say, when we are faced with another loss of a precious loved one. We belong to a very strong family circle that bonds and unites us even though we are apart. The times we have spent together as a family good or bad are very precious, the closeness and the memories we have of long ago will see us through and always be in our hearts. You are always in our thoughts and prayers, we love you all.Charlie E. Fowler and Family##imported-begin##Helen E. VanArsdale##imported-end##
