Although its been many years since his passing, I still think of Mr.Hvezdos and how he would make me laugh. I would pick Laura up for school in the mornings when they lived in Spring Hill. He would be on his way to work.He always had something funny to say that would start my day with a smile. I loved his smile and his laugh.Thanks Mr. Hvezdos for all the great memories.##imported-begin##Risa Castloo##imported-end##

I lost my oldest brother. I am making the best of things I can,but I am still feeling numb. I want to express my thanks to all that liked and loved my brother. He was a special brother,friend and could always cheer anyone up. Our family will miss him dearly. Thank all of you for for being there for the Hvezdos family, unfortunatly his only blood daughter from Florida made things hard for a graceful tribute. This was Mike's town and was loved by many. Your prayers will never be forgot. God Bless you all##imported-begin##TimHvezdos##imported-end##

Mike is a longtime E-mail buddy...I am with the Kennel Club and "talked" to him often. He E-mailed me some of his wonderful recipes, one which was his Brisket..He had a wonderful sense of humor and was helpful with many questions. He will be missed by me and many others who "talked" to him. I am remembering him and the family in my prayers. Edie##imported-begin##Edie Landinger##imported-end##
