Miss Vaughn was my favorite person in the world!! I was her nurse aid at Good Shepherd on S400 every time she came to us. She would always greet me with "Hello Hello". I always called her "mean lady", she'd just laugh. I was very upset to hear she had gone home to be with Jesus, I want her with me. I was being selfish. She always shared her newspaper with me, everyday. She had a beautiful smile, always in a good mood, and an inspiration to me. She watched the Customer Service building at gsmc being built from right outside her window in room 1474. It really helped her pass the days. I told she was looking at the men! She'd wake up in the morning and say,"what are my men doing this morning?" I have to work Monday and will miss her service, I really wish I could be there to tell her bye. Goodbye Miss Vaughn"mean lady", I love you very much, see you in heaven. Save me your newspapers! Love, Joanne Huckaby###imported-begin###Joanne Huckaby###imported-end###
