I always admired Buddy's commitment to work and helping fellow co-workers. He always had a cocky laugh and a smile to show you that he loved sarcasim but was sincere in he desire to help. I imagine Buddy eat up several million tooth picks and one for every time he stopped to share a smile and laugh. Great dad as he spoke of his boys often and expressed his desire to see they got a good education. I will miss Buddy. God bless his family.,--Ladd##imported-begin##Ladd Sheets##imported-end##
