I am writing to tell how sorry we are concerning your loss. Our prayers are with you and your family. Nosotros los mexicano tenemos un dicho que es muy bueno cuando una persona se enfayasa, el dicho es que " una persona no muere hasta que uno se olvida de el" o en ingles, "people don't die until you forget them." I know that you have fond memories of your father and will alway remember him. Juan Nava##imported-begin##Familia Nava##imported-end##
