I had the pleasure of meeting Dr. Langston only recently when attending the grief support group he was leading through Greater Hospice. What a kind a gentle spirit he had! Knowing how his words comforted and encouraged me, he surely helped so many. God bless you at this time of great loss. Lori Vaughan Hughes##imported-begin##Lori Vaughan Hughes##imported-end##

Dear Barbara, Michael and Amy, Michael Thomas, Bill Langston, Carolyn and Bill Stringer and families,Each of you are in my thoughts and prayers. Dr. Bill was a loving, caring father, grandfather and great-grandfather; and I know you will miss him greatly. Just as he loved to spend endless hours nuturing his azaleas each spring, he devoted his life to caring for and nuturing other people. You are products of that love. The Lord is surely saying, "Well done, my good and faithful servant!"##imported-begin##Tom Mason##imported-end##

I am so sorry about your Dad. I thought so much of him--In Church he sat 2 pews in front of me and we have so missed him since he was in GSMC. He really was a LIVING MEMORIAL! God had some more work for him to do-I used to tease him and tell him that. May each of you feel the warmth of God's comforting love.##imported-begin##Millie Harper##imported-end##
