Marilyn and Jade,I am so sorry for you loss. Clyde was a special person and will be missed by many. I remember the first time I saw him. He must have been around 7 or 8 months old. They had come back from California and were staying with Granny Stone, Big Ed's grandmother. When we came in Clyde stopped crawling and looked at us as if he wanted to say something - he was just too cute! Of all the cousins I can't remember most of them during our younger years, but Clyde was always special. If there is anything we can do for you or Jade please let us know.Pat##imported-begin##Pat Mizell##imported-end##
