Ronald G. Glass

MAY 12, 1936 - JUN 8, 2004

Ronald G. Glass, survived by his loving wife and best friend, Jenny Glass and children: Ron Glass of Phoenix, Ariz.; Rhonda Bullard of Longview and her husband, Rod; Kathy Broussard of Houston and her husband, Dane; and Robin Glass of New York City, NY, passed away on Tuesday, June 8, 2004. Ron is also survived by his three grandchildren, Ashley, Cade, and Chase Bullard, all of Longview, and good family friend Bill Detty. Ron was preceded in death by his parents Sam and Lorene, and brother, Gary; and survived by his brother Sam and his wife, Donna of Maryland.

Ron was born in Hayward, Missouri May 12, 1936. He developed a strong work ethic in the cotton fields of Missouri and became an outstanding athlete, playing football and baseball. However, the game that became the love of his life was golf. Even after multiple heart attacks, congestive heart failure and a heart transplant in Oct. 1995, Ron recovered best with a club in his hand.

His high school sweetheart, constant companion & the love of his life, Jenny, became his wife on Jan. 23, 1954. After serving four years in the Air Force in Biloxi, Miss., they moved to Huntsville, Ala. Where Ron worked with the Missile Division of Chrysler Corporation at the George C. Marshall Space Flight Center. In 1972, Ron moved his family to Longview, and after owning his own business, Ron joined LeTourneau, Inc. as Vice President of Sales in 1974. After 20 years, Ron concluded his career with medical retirement in 1994.

Ron will be remembered as a loving, caring husband, a wonderful father to his four children and the best Papaw in the world to his three grandchildren. His friends and family knew his to be honest, loyal, and trustworthy. He was a man of his word, with tremendous integrity. Ron was well loved and will be sorely missed.

The family will receive friends from 6 to 8 PM at Rader Funeral Home Thursday, June 10th. Services will be 2 PM Friday, June 11th at the First Baptist Church of Longview, with graveside

I so regret not being able to be with you on this day that will honor Ron. I can still see his sly grin and hear his genial voice. He was the consummate Southern gentlemen even tho he was born in the Midwest. He will be greatly missed and the world is better for having known him. May God bless his memory.##imported-begin##Jeanne Beckman##imported-end##

Dear Jenny, It was with great sadness I learned of Ron's death. You and your family are in my prayers and thoughts. It was a privilege to work closely with Ron over many of the years we were at LeTourneau. My greatest admiration came from the observance of him as he exhibited such love and admiration for you. He always treated his co-workers with respect and kindness. His love for golf was something we shared, his as a good player and me as a fan. I remember you both as friends and pray for you in your loss. May God give you strength and courage in the difficult days ahead.##imported-begin##Betty Moore##imported-end##

Dear Mrs. Glass, Ronnie, Rhonda, Kathy, and Robin,I was saddened to read about Mr. Glass's death. I have fond memories of Mr. Glass showing me his high school scrapbook with the newspaper clippings of his athletic achievements. I also remember the Christmas tree that seemed to have a million twinkling lights because Mr. Glass had spent hours putting them on that tree. He always had a smile and a kind word for me through the years whenever I ran into him around town. My thoughts and prayers are with you during this difficult time. Jenny, Rhonda, and the rest of the family - we are so sad to hear about Ron. What a great man he was! He and Bill shared so much on the golf course and I always enjoyed his quick smile and the engaging way he showed interest in each of us. Bill is in Uruguay hunting ducks all week and was so sad to hear my news. He asked me to express his condolences to you as he will not be back in the country until late Saturday. We are thinking of you and know the wonderful memories of Ron will be cherished by many.##imported-begin##LouAnne Hughes##imported-end##
