To the Wilson family, I am so sorry to hear about your loss, and I couldn't help but notice the irony of the dates. The same as Hunter's just different months. I hope that you are all put at peace knowing that he is up in Heaven with that exceptional young man we called Hunter. I loved Hunter with all of my heart and when I introduced myself to Keith one night, I showed him a tattoo I had gotten for Hunter and told him that if we would've gotten older, I would have married his son. So my heart goes out to everyone in the Wilson family for your loss, but just as Pastor Brazzle said at Hunter's funeral, "I believe God took one of the best.." Love Y'all.##imported-begin##Shami Elizabeth##imported-end##

I was a friend of Hunter's before he passed and just knowing that you were related to him tells me how much of a good man you must have been to raise somebody like Hunter.##imported-begin##friend of hunter##imported-end##
