Aunt Charlotte was a fun lady to be with. My mother, Clara L. Moore, will always miss her sister-in-law. Her nickname was not Deet..that was her sister. She was divorced from her husband and did not expect to ever see him on this earth or after. And she would count on me to say so. I miss our trips to the library researching our families. Everything possible was done by her son William and our family to reach her two daughters to no avail. I am sorry for their loss.##imported-begin##June Moore March##imported-end##

Aunt Charlott was a GRAND and exceptional lady. She was retired from the Texas State Employment Commission and will also be remembered for her many hours and travels spent in search and research of the Moore, Gray, McKeehan, Touchstone, Sylar, Cooley, Horn families with others too numerous to mention and their historical connections. We will miss her very much. Judy##imported-begin##Judy Moore Falcon##imported-end##
