I was grieved to hear of Fletcher's death. I have often thought of him and Frances and our banking relationship. We moved to Houston in 2003 to be near our son. Frances, you will be in my prayers.##imported-begin##Marjorie Brown##imported-end##

Frances, Paula, IF you happened to see me come in the side of the Mausoleum while you all were getting ready for Your precious loved ones' Service. I apologize; I was not dressed but I did want you to receive the Inspirational material that I brought and asked to be given to you all. When I told him, I was not dressed-the Rader's Gentleman did not understand about a woman when she says she is not dressed. I had not thought about it being in the Mausoleum and really intended just to give it all to one of the Rader people to give to you. I hope he was able to. All that said, I thought the world and all of Fletcher. It hurt so to learn the shape he was in. I was sending prayers up to Heaven for him, you, Paula and all of you. You all were so kind and gracious to my Jimmy when he was working for Mayflower moving and also to us when it became necessary on some occasions for us to wire money to some of our family--I especially remember one time when our son was going back after they let him come home when his wife was very sick-he was trying to get back to Viet Nam after the critical situation. He got stranded and called for dollars and I recall going to W. U. and getting you all to wire it to him. Any way, you are dear and precious Friends that I will always remember and love. I hope the dear people at Rader's will mail this to you, Frances. YOU CONTINUE ON MY HEART AND IN MY PRAYERS. I am so proud of Paula and her Family. I AM PROUD OF YOU. And, I love you, Frances.##imported-begin##Millie Harper##imported-end##
