Aunt Mabel will always hold a special place in my heart, for she and I share the same birthday. To my Aunt Mabel, You will be missed. I'll always remember your humor, And of course, you being sarcastic. A sparkle in your eye And a quick, silly grin, Always left me feeling happy And proud to be your kin. You stated you were God's work in progress?. Well, heck, aren't we all? I guess He was finished and you heard His call. Now that you're in Heaven, raising some cane, Just remember I'll continue be your Birthday girl And that honor will always remain the same.##imported-begin##Katy, Larry and Drew Oreskes##imported-end##
