Deanna and Arthur, I had the privilage of meeting your mom many times when she was working at the store. She was such a precious lady. So sorry I just found out. Deanna, you were there with your mom most of the time and I really enjoyed our talks. Oh, it has been a while and I know you don't remember me, but what I would like for you to remember is the inspiration you and your mom had on me and my life. I'm just so Thankful you two passed my way.I will be praying you and your entire family. Please accept my deepest sympathy. Polly B.##imported-begin##Pollyanna Bogardus##imported-end##

I am so sorry that I missed today's service...you were all in my thoughts and prayers last night and today. I just wanted to write and send my love to you all...Aunt Annie Belle brought such joy to all of us who knew and loved her. Although we didn't get to Longview to see her much, she ranks right up there with the most kind, gentle, wonderful and beautiful souls that I've ever known. I am so proud to be part of her family and part of that great "Perkins" tradition of strong, wonderful, spirited women. Thank you, Annie Belle, for your love and light! You will be missed...but most importantly, you will ALWAYS be remembered in my heart!##imported-begin##Monica Perry##imported-end##
