My sincere condolences go to the family of Mr. Surratt. I have many fond memories of my years at Lone Star Steel and people like him are what I remember most. He was a fine gentleman, a dedicated worker and a pleasure to work with. I remember numerous times that he was able to find the electrical problem that we were having with a part of our Mill and he was able to get it repaired and back in operation. He was a real asset to the company and I am sure to his family and community.##imported-begin##Louie D. Fisher##imported-end##
