My Mammy, I love you so much and already miss you. I can't imagine how life is going to be without you. You kept me out of trouble as much as I kept you out... Life is going to be so empty without you to help with lifes everyday things. I love you so much and I just hope you know how much we all loved you. Tomorrow is going to be the hardest day I have ever had. So, lets not say goodbye. Just see ya later alligator.Love, Theresa##imported-begin##Teresa Childs##imported-end##
