I've often thought of you and Regen and how awesome you are as a mom. Every time I would circle by your house leaving my dad's house on Elmwood, I would get the warmest feeling in my heart to see all the stuffed animals in your dining room window. That is just one small symbol of the time and energy and love you gave to Regen. Becky often spoke of you and how you dedicated your life to taking care of Regen. You make me want to be a better mom. Dear Judy, Mike, Adam, Alex and our extended family, We have been blessed to become so close to Regen and his family. We enjoyed the simple pleasures and joys Regen got out of everyday life. We enjoyed watching his face light up at the prospect of eating cake or ice cream. His big smile and little chuckle was contagious and brightened everyone's day. Songs of all kinds appealed to him. He would keep the correct beat or sing in the correct key. He would show off his singing talents often for his friends at school. Everyone loved it! Over the last ten years, his vocabulary, eye contact, fine motor ability, responses to others and being aware of his surroundings showed significant improvement. Erik was proud that Regen knew him well enough to call him by name. Our sons, Scott and Jon, have become more loving, caring and patient adults because of knowing Regen. Regen enjoyed going to school everyday. Every year teachers would introduce something new to challenge Regen. He would seem to welcome most of those challenges. He was thrilled when the boys in P.E. helped him with the activities and cheered him on to be a winner. Theater students would improvise and encourage Regen to perform with them in a skit or scene. He would get loud applause every time! Regen enjoyed being part of a group when cooking and especially eating during class. Art classes were wonderful for Regen. His peers talked with him about the project, weekend activities and many subjects. He especially enjoyed joining the "boys at the back table" to talk about "guy stuff". Regen will be missed deeply, but he will live forever in each and every person's heart that he touched. With Much Love to "our family" in Regen's Notebook. Erik, Joyce, Scott, Rikki and Jon Sandvik

We will miss seeing him at school and I know how much you will miss him at home. May God give you that peace that passes all understanding. One of my favorite verses I have enjoyed this year, as I have also faced the loss of my son, is Jeremiah 29:11. Stiles Family, I was so sorry to hear of your loss. After just meeting all of you a few days before the accident, I was looking forward to Regen enjoying the lights at our house. You mentioned how much he loved the lights and I hope that he was able to enjoy them many nights before this tragedy. Knowing he enjoyed them made all of our work seem worth it. If there is anything that we can do, please let John or I know.

To the Stiles Family:I first met Regen in 1987 - when John Berry and Alex became friends in the fourth grade. I remember Regen always being around and how the older kids were so kind and attentive with him. I remember Regen coming to John's Eagle Court of Honor, I remember watching Regen grow up over the years as I would see you around town. Time has gone by so fast and we have gone separate ways; however, as I think of you all during this time, it warms my heart to remember the great love that was evident in your family. I am so grateful that our path in life crossed with yours. I have notified John and we are all remembering you in our thoughts and prayers. You are all very special to our family.Susan Berry###imported-begin##Susan Berry###imported-end##
