Dear Jimmy: We wanted to send you our heartfelt sympathy to you and your family during this time. We know that you will dearly miss your sweet mother while here on this earth, but know that our prayers are with you all. Remember to use this time to thank Jesus for what he did for us with His ultimate sacrifice...by hanging on that cruel, old cross, making a payment for our sins with HIS own blood. God is GOOD, all the time and he's there for you...you just have to ASK HIM. Bless each of you, always, In Jesus Christ,##imported-begin##Keith & Donna Blanton##imported-end##

We just want to extend to the Hogue family our heartfelt condolences in remembrance of a very sweet aunt and though we've not had the privilege to be around her in recent years I've never forgotten how kind she was to the Alexander kids. Also I have such fond memories of the times we got to spend with Uncle Horace just having a great time listening to him tell all the funny things he and Uncle Ellis did in their younger years. Aunt Jimmie Lee's quiet spirit and Uncle Horace's humor still come back to me from time to time and I find I'm a better person for having them in my life as a child growing up in west Texas. May the peace of the Almighty God surround the Hogue family during this time and the days following is our sincere prayer.##imported-begin##Charlie & Ruthie Alexander##imported-end##
