The thing I remember and admired about Brenda was her concern for others. She seemed to always know when someone needed a kind word or just a reassuring hand on placed on a shoulder. She was a angel in my life and she will be missed.##imported-begin##Karen Harvey##imported-end##

To the Chandler family.Brenda was always very special to me, and even though we did not remain in touch, she has always been a part of my life, and will always remain so.My favorite memory of her, is when, in my youth, I smarted something off to her, and asked her "What are you going to do about it"Well, she proceded to throw me onto the floor, of our Trailer house, and stuck my face against one of the floor grates, and pressed me into it.Then she asked me"what are you gonna do about this?"After some squirming around, I decided who was the "BOSS", and I loved her even more, after that.It was good for me, to realize that, and I have always had more respect, since.To Faith and Alan,and the rest of the family,it is sad that I am contacting you,in your time of grief,But your sister did mean alot to me, and to my family, we all loved her.God bless you all,Vince Mondello##imported-begin##Vincent Mondello##imported-end##
