Dear Ms. Helen & family, My sincere sympathy to you. As I shared with you at visitation, my son also went to be with the Lord a few weeks ago. I truly know how you grieve. Someday we'll see our sons again! Praise God for His amazing Grace! We've less days to wait than when we first begun! Terry was a wonderful friend from my childhood. We played & rode our bikes together. Your home was always inviting and we felt welcome there. May God bless you and bring healing to you. With love,

Words cannot express the sadness of Terry's passing. But joy because I know where he is. Terry was one of the most considerate people I have ever known, never ceasing to help others in their times of need. And there was no better cook than Terry whether it was a Sunday School Social or just because he cared when he would bring desserts to work for his sister and us. Terry always offered a word of encouragement and even though he was going through tremendous trials, he never faltered on his faith and loving others. Terry will surely be missed by myself and countless others he touched in his life.##imported-begin##Helen Russell##imported-end##

To the family of Mr. Terry Holland:We'd like to express our sympathy to the family but also wanted to say how happy we are to know that Terry is "at the meeting around the throne with our Lord and Savior, Jesus Christ"! Terry frequently came by my husband's work and they would talk about Jesus for quite sometime, this was such a blessing. He also attended our bible studies and visited our church on several occasions and the Holy Ghost was around him as he knew personally, Jesus Christ as his own Lord and Savior. This is the main thing that Terry wanted everyone around him to know and realize that he was a "witness for Christ", no wonder the Lord has allowed him to live though many heart attacks! As saved Christians ourselves, we'll see Terry again in Heaven someday real soon. To God Be The Glory, Forever!##imported-begin##Keith & Donna Blanton##imported-end##
