Rajinder Kumar Chugh

NOV 2, 1946 - MAY 23, 2005

Services for Raj Chugh, 58, will be 10 AM Wednesday, May 25, 2005 in the chapel of Rader Funeral Home with Paresh Pathak officiating. Dr. Chugh passed away early Monday Morning at his home in Longview.

Rajinder Kumar Chugh was born in District Kamaliya Layalpur, Pakistan on November 2, 1946. Dr. Chugh received his Bachelors in Electrical Engineering from the Indian Institute of Technology IIT in New Delhi. Following his studies in India, he moved to Winnipeg, Canada where he completed his Masters in Agricultural Engineering as well as another Masters and Doctorate of Philosophy in electrical engineering. Dr. Chugh and his family relocated to Florida and finally Longview, TX where they have been for the last 21 years. Dr. Chugh recently served as Chief Scientist for Vertex RSI, a division of General Dynamics.

An extremely loving father and husband, Dr. Chugh was known for his love of travel and family.

He is survived by his devoted wife, Neelam; and 2 daughters, Hema and Madhu.

The family asks that in lieu of flowers, donations be made to the Greater Hospice of Texas, 1905 W. Loop 281 space 81, Longview, Texas 75604.

I would like to express my deep sympathy in Raj's passing. Having worked with Raj for many years, I have a deep appreciation for the many things he brought to our company. He was most definitely a key to our success. Beyond being a highly talented and dedicated colleague, Raj was also a great personal friend. He set a fine example with his patience and his calm demeanor and he always treated others with dignity and respect. I know Raj suffered much in the past two years, but his perseverance through the trials continues to be an inspiration to me. Goodbye, my friend. ##imported-begin##Roger Wieting##imported-end##

I worked with Dr. Chugh for 7 years and I have to say that he was one of my favorite people at Vertex. He and I never had a cross word. I would ask him about his daughters and there was no doubt that he was extremely proud of them. He will truly be missed. Please accept my condolences on the loss of Dr. Chugh. I had the privilege of working in close proximity with him for the last nine years. He was an exceptional man in every sense of the word, brilliant and compassionate, demanding of himself but tolerant of others. He always took the time to deal with the issues I brought to his office. He never asked me to come back later regardless of the urgency of his work. His memory will remain with me and continue to inspire me.##imported-begin##Darrell Thompson##imported-end##

I am a friend of Hema and lived with her in the fall of 2004. Hema has been so courageous and strong throughout the year, and this says a lot about the strength of love and support within the Chugh family. I had also the privilege of meeting her sister Madhu, who carries a truly impressive presence. It is no doubt that Dr. Chugh has been and always will be a positive force throughout his daughters' lives. Both Hema and Madhu are wonderful, kind, genuine, and superbly intelligent women. Even though I have never met him, I know of his kindness through the friendship that Hema has given me. My condolences to the Chugh family,Chamsai##imported-begin##Chamsai Menasveta##imported-end##

Raj was one of the finest persons that I have ever had the good fortune to be acquainted with. He was kind to everyone, dedicated to his family and friends and never lost focus on what life was all about. He was one of the major reasons that Vertex was as successful as it was. He always gave his very best and never had anything but an optimistic attitude. I was most honored to have him ask me to accompany him when he received his citizenship in the United States of America. It was a very touching moment for the both of us. I shall always remember Raj and his unselfish commitment to excellence. Many people were touched by Raj and everyone loved him. He was as good of a friend as anyone in life could ask for.##imported-begin##Rex Vardeman##imported-end##
