Terry and I were best school buddies and shared a lot of good times together, we lost contact shortly after he enlisted for the service. It wasn't until 2003 until we saw each other again and life had made a lot of changes good and bad for both of us. We didn't come close again as we both had busy schedules to fulfill and I will regret that I didn't take the time to be an old friend because I sure needed one myself. Terry will always be there in heart and spirit, he is now with our Lord and we shall all be together again someday.##imported-begin##Mark Daniel##imported-end##
