It's been 20 years and I still miss you so much. Your death I have never recovered from. There has been nobody that can hold a candle to you. You were my best friend! They say as time goes by it gets easier, well it's been 20 years and I still feel the grief of your loss. I still need you. I just miss you!

I remember when Kyle would babysit my my brother and me several years ago... He gave me his legos, got me hooked on RPGs Suikoden and Final Fantasy and overall was a cool dude to be around. Prayers are with his older brother, Billy my step-dad and the rest of the family.
