I was shocked to hear of your loss. Please know how very sorry I am. I met Naomi for the first time during Spring Break of 1987 when her son, Matt, and I went to see her at her job at the cafe' in the airport. I thought she was one of the neatest moms I had ever met. She would stay up late and visit with Matt and me. She always made me feel like I was part of her family. She was one of the sweetest and most cordial ladies I have ever had the pleasure of knowing. Everyone who had the opportunity to have her in their life is truly blessed. May the Lord be with you all during this difficult time and the days to come. My prayers will be with you.##imported-begin##Beth Garcia##imported-end##
