Dear Tuttle Family: It is Monday afternoon and I have just finished reading the obituary for Marie too late to go to the funeral home or to the graveside ceremony. I certainly would have come to both had I known about it in time. Marie was a very sweet person and I know you all will miss her dearly. Please know that my prayers will be with you in the coming days. Call me if you would like. I am now married to Wade Pointer and we live here in Mill Run in Pine Tree. Love to all, Jodie###imported-begin##Jodie Kennedy-Johnson Pointer###imported-end##

Donna, I send you my deepest condolences on the loss of your mother as there is a special bond between mothers and daughters. I lost mom in 1999 and still miss her. My condolences to all of your family. You picked a good funeral home as they handled our son's funeral last year and were very caring with us. I am sorry I won't be able to attend the funeral, but it is very difficult for me to attend them at this time.
