Jenifer, I'm sorry I wasn't there for you as much as you were for me. You always made me smile no matter how upset I would be. I took you for granted, assumed you would be here forever...and now you're gone. I will miss you more than you will ever know. You were a sister to me and Matt, a daughter to my mom and dad and a friend to us all. I was thinking about you this past weekend and Heather wanted to know if I had seen you lately. I wish I had...
