We were so saddened by the news of Leon's passing. He was the best neighbor anyone could have. We will miss him so much. He always called out, "Hi Neighbor." Leon was so good to take care of our mail when we would be out of town. He always wanted to see our little granddaughters when they were here. Lilas used to bake us her famous pound cake from her 100 year old recipe. The memories go on and on. Our thoughts are with the family. We regret we were not able to attend the funeral.##imported-begin##Gary & Carolyn Rowden##imported-end##

I met Mr Parker through his caregivers. This gentleman left a lasting impression on me. The love and devotion he showed his wife was astounding. All he cared about was her and that she live comfortable. He was a happy 90 year old and it was my pleasure to have met him. I know I'll see him again and he will remember me.##imported-begin##kathy reed##imported-end##
