Brownie, we both share the experience of a sibling with Downs Syndrome. My sister is Beth Graham, who went to school with Jim and lived around the corner at Putter and Niblick. Whenever we drove through the old neighborhood and passed your house, I would wonder what happened to Jim. It sounds like he ended up at a good place and enjoyed his life. Luckily, Beth did, too, as she lives in a group home in Tyler. I offer my greatest sympathy for your loss, but also am so happy that Jim and Beth were both able to lead happy lives despite their disabilities.
