Debra, Marilyn and Allan, I was so sorry to hear of your mother's passing. I don't know if you remember my family or not-we lived across the street in the late 60's/early 70's and I have so many fond memories of summer nights on your driveway visiting with your mother. She was always so much fun to be around. The last time I saw her was about 8 years ago when I brought my husband then my boyfriend to Longview to see where I grew up-your mother and I visited on the driveway for about an hour-it was so nice, catching up on the last several years. I was actually thinking of her on Thursday afternoon as we were driving through Longview again. My thoughts are with you and your families. Sincerely, Joni Pactor Lundy##imported-begin##Joni Pactor lundy##imported-end##
