My prayers are with all of the family during this difficult time. Julia was such a great friend to my Mother, Betty Hudman and my Father, Billy Joe Hudman. Sonny and Julia stayed close to my Dad's bedside during his final days here on earth and that mean't a lot to our whole family. Now Julia has joined my Dad in heaven so that is just one more angel to watch over us all down below. Julia will certainly be missed by all who knew her. My heart goes out to all her loved ones. Love and May God bless you all, Cindy Hudman Adams##imported-begin##Cynthia Hudman Adams##imported-end##

Dear Tammy and Tina, I share your grief over the loss of your Mom. Aunt Julie came to see us in Longview at Christmas a few years ago and brought the sweetest prayer bear for my little Hannah. I was so touched by her thoughtfulness and kindness. I always enjoyed being around Aunt Julie because of her laughter. Precious in the sight of the Lord is the death of His godly ones. Ps 116. Doogle and family: Know that our prayers are with you all at this time. I'm sure your step-mom will truly be missed, but her love will live on. Accepting Jesus Christ as your own personal Savior is the 'life afterwards' that gives us true Peace within. After all, it's all about Christ and what He did for us on that cruel old cross, making the payment for our sins with His own blood! We send out our sincere sympathy to each of you, always. P.S. Please tell Sonny hello for us, was good to see him while attending Gil Brook's funeral recently.###imported-begin##Keith & Donna Blanton###imported-end##

Tina & Tammy My prayers are with you everyday through this difficult time. I just loved your mother. She always just cracked me up with the things she said and did. I never had anyone that was more fun to play in the snow with than your mom. I'll never forget growing up how she tried to scare us all when she dressed up at Halloween and hid behind trees!! I was shushed at the church the last time I saw her cause she had me laughing so hard. She was a character and I'll miss her so much. But I know in my heart that she's where she can always watch over everyone now and be free of her pain. I'll never forget her. May God bless you and be with you always. Sincerely, Kristi
