I am very sorry to hear of the loss of James. James and I were great friends at Gladewater High about 40 years ago. One of my first jobs was working with James at Honey-Togs in Gladewater. James Sr. was the manager at that time. We enjoyed many adventures, especially riding around in his blue Ford Falcon. We lost touch over the years, but want to let you and your family know we are thinking of you and our prayers are with you. Steve and Bettye ##imported-begin## Steve Gary ##imported-end##
