I'm at a loss for words. Darren and I graduated together in 84 from Pine Tree, but I had lost touch with him. I remember playing together in the neighborhood as boys and coming to his birthday party. Last summer I drove through the old neighborhood with my daughters and it brought back so many memories. Good memories, indeed.##imported-begin##Tony Cariker##imported-end##

Dale,How devastated I was to learn of your great loss this past week. I too have an only son, 40 years of age, so I can imagine the loss you are feeling.I hasten to add though that Our Lord and Savior Jesus Christ can and will be the source of all strength and grace needed at times as these. I pray that you will experience that strength, love and "peace that passes all understand" from our perspective.##imported-begin##Joe Kanewske##imported-end##

Stella:It has been a long time - but I worked at Pine Tree High School when Daren was a student. You and I became friends and Darren was very special to me. I have lost touch with you over the years - you moved from Wedgewood and I left Pine Tree and came to work at Sabine ISD. Over the years, I have thought about you and wondered what was going on in your lives. Please know that in all my years of school business, your family will hold a special place in my heart.My prayers are with you and Dale.Susan Berry##imported-begin##Susan Berry##imported-end##

Stella, Dale, I am so sorry to learn of your Son's Homegoing. I remember him as a little boy when we were all at Woodland Christian Church. I went back to our Mother Church Aug. 1983. I've been "out of action" -- Surgery and a bad fall hurting my back. Am getting around with a cane and trying to ease back into The Ministry. I saw Dick Hudson at the Church First Christin last night and he told me the sad news about your son. You all will continue on my Heart and in my prayers. Do stay in touch. I will always love you all. ##imported-begin## Millie Harper ##imported-end##
