Aunt Martha was such a joy to be around. I remember when I was a little girl and she would always make me a pretty dress and bring when she came to see Granddad Weaver and Nannie Effie Strickland. She was loved by all.##imported-begin##Judy Fowler Stuart##imported-end##

Aunt Martha was a very special aunt to me. I loved her and enjoyed her and uncle Ed when they would come to see us. She was always lots of fun. I wished I would have kept in contact these last few years. My prayers are with all the family, I know you will all miss her dearly.##imported-begin##Toni Strickland Barron##imported-end##

My thoughts and prayers are with all of the Family. Martha was my great great aunt, whom I only met a few times, but the times I did meet her she was a sweet lady. Roemo was my great grandfather. Its weird how relatives work. Anyway, I know that she lived a long and happy life.##imported-begin##Ashley Barron Eaves##imported-end##

Martha Case was one of my favorite people. When Bennie Ray and I were running around together during our high school years she was the "mama support person", the mama lady who was still in touch with her youth, and fun for young people to be around. I admired her for her warmth and grace and charm. You could always count on her to do the right thing in every situation. She remembered her friends even as the years passed and miles separated us. I can still taste the good jelly she would make and give to me when she saw me, jelly made when other people her age were completely "retired" from life. She blessed us all. All of us Burrows felt she was family, and not just connected by marriage. We love you, Martha. Vernon##imported-begin##Vernon & Gerrie Burrow##imported-end##
