I was the paramedic that picked Mrs Wilson up from her home when she fell. I cannot say enough how sweet, pleasant and kind she was to me. While she was with me in the ambulance, she told me so many wonderful stories of her family and late husband. I cant remember in my many years as a paramedic a patient as kind as she. She never complained and was really a great help to us by keeping so calm and relaxed. I visited a couple times while she was in ICU but she was always resting and I didnt want to bother her.She reminded me so much of my grandmother I lost in January. I just felt the need to let you know Mrs. Wilson touched my life in the short time I was with her. My prayers are with your family.##imported-begin##April Adams##imported-end##
