Dear Joe & family, We are so sorry to learn of your loss. Please know that our prayers are with you during these days. Remember to lean on the Lord and He will get you through it. Joe, besides HHS classmates, we have had mutual interest in RVing and other outdoor sports. Hope your health and all the children is good. We don't make many trips to Henderson these days. Hope the class will have a get-together for the 60th. Maybe we can visit then. Overall, my health is good, but Carmen's is not so good.
