Our hearts are heavy as we face the loss of such a lady. She was a wonderful wife, mother, grandmother, aunt and friend. She will be missed. In our sorrow, sometimes we forget how precious it is to our Savior when His Saints are gathered home. She worked long and hard to reach her goal, but I know we can be sure she is in the presence of God.You are all in our thoughts and prayers. Of course there is sorrow, but our hearts rejoice because today Shirley is doing what she always loved to do; sit down at the piano and play beautiful music! She is now able to do what her earthly body had taken from her. Our love to AB, Rhonda and Russel. Robert & Carol Brazier and Family. ##imported-begin##Robert Brazier##imported-end##

We will miss your smile, your confidence, the way my grandchildren loved you and AB like grandparents, the way you and AB were there to share the joyful occasions in our lives, your strong opinions about life and politics, and the fact that you were not afraid to share them with others. That usually led to lively discussions, didn't it? But that was part of you and we will miss it. We love you and AB and you will always be in our prayers.
