Uncle Billy, Aunt Vaudine, Billy Ray, Pam and Danny, My best childhood memories will always be the times spent with Gary at Grandmother and Granddaddy's. I wished we had gotten together more in the last years but we will see each other again. The service was beautiful and fitting. We will keep you all in our prayers. Gary was a relative and a friend. I will always remember my 45th wedding anniversary when he treated Al and I to dinner at a local Japanese Steak House. Gary and I shared a love for the horse races. He treated me to a day at the races on my birthday one year and even gave me money to place bets. He painted my kitchen cabinets. We shared many batches of oatmeal cookies that I baked. I will think of him everyday. Words cannot express the sorrow. I will keep the family in my prayers.##imported-begin##Barbara Loden##imported-end##
