Mom and family,I want you all to know how very much we love you. John, Ralph, Rich, and Lee are having quite a conversation. I know Lee is catching John up on what is going on in my life. I hope God lets them stay up late at night.Daddy Lee's homecoming was a surprise but he is well and telling those tall tales again.You all mean so very much to us. Thank you for making Richard an immediate part of "our family". No one could ask for a more wonderful family and we are thankful that you all are part of our lives.We always will have something to laugh and smile about. Those four were quite a reason.Love,Richard and Sherry##imported-begin##Sherry Molpus##imported-end##
